

celebrating our *thirty years*, we offer...

the *last waltz*

to have and to hold - everything near and dear -
and keep it close to hand...

A small big bag - as in the current novel or guide book, iPad or tablet, (including charger, cables, cellphone) brochures, maps, passport and papers, thermos flask, binoculars... and that camera, with two or three lenses

- main compartment with pocketed organiser sleeve for iPad, tablet or laptop
- large pleated front pocket with internal zipper pouch
- twin frontal pouches for cellphone, notepad or charger and cables
- flat hip pocket with magnetic safe-close device
- lateral anchor points for accessory pouches (as usual)
- grab handle on the reinforced ridge of the bag
- shoulder strap with integral leather shoulder-pad

(hand-branded with your name or monogram, mantra, quote or incantation)

Protection?

4mm closed-cell foam padding in the top, front, back and sides, with a 10 mm base-pad envelope (good for stashing extra funds).

Panoramicly encased in leather
